

墾丁頂級旅宿 華泰瑞苑 現代臺灣 精緻人文 自然生態

揮別毒辣的陽光、熱情的沙灘，墾丁還有什麼可以讓人驚艷？讓華泰瑞苑帶領您體驗一個完全不一樣的南國之旅。華泰瑞苑位於墾丁國家森林遊樂區內，緊鄰社頂自然公園、梅花鹿復育區等重要的旅遊勝地，由華泰大飯店集團於2012年自屏東林管處接手經營，秉持「與自然共處」的理念，重新打造每一項設施，賦予這處秘境嶄新的靈魂。質樸寧靜的風格、悠閒自得的氛圍，並將昔日「蔣公行館」時代風華重現，優質的住宿環境與歷史人文氣息，廣受歡迎精緻旅行的旅客好評，更在世界設計舞台上獲獎連連。除了在2014年拿下全台唯一的德國紅點設計獎外，並連續三年獲得國際旅遊網站Tripadvisor的卓越獎，名列屏東區最受歡迎的度假飯店。更於2017年加入Design Hotels™聯盟，為台灣唯一設計度假酒店入選；同年獲得知名旅遊訂房網站評選為全球十大國家公園旅宿之一，為亞洲唯一上榜飯店。

與自然共處 體驗在地之美

整體設計概念以「與自然共處」為主軸，同時融合當地特色及現代工法的建築方式，大量採用台灣傳統的元素如竹編、燈籠、象徵長壽意涵的六角形地磚等，講究融合當地特色、傳承台灣編織工藝及現代建築工法，大廳空間最能表現出台灣傳統，譬如天花板取元宵和嫁女兒會用到的「米篩」作造型，委請竹山老師傅製作兩層竹編，內層採三角編織法，外層採六角編織法；地板則有灰色六角龜殼形地磚象徵長壽意涵，交錯拼接黑色三角磚呼應地景「尖山」，各個細節巧思設計使之轉化成為現代台灣印象，在大廳、餐廳、客房等空間都可見其設計的構思及巧妙。華泰瑞苑並於一樓設立蔣公書齋展示蔣公曾經使用過的書冊、文具、桌椅傢具等擺設且對外開放參觀，期許將這些歷史文物完整保存，同時將華泰瑞苑本身擁有的深度人文發揚光大。

客房設計融入南國四時風光 與自然零距離接觸

共規劃8種房型，兼具套房與客房的設計，總計60間客房，並有面對大尖山景的戶外泳池供房客休憩使用，讓旅客在此得到充份的休息與放鬆。大量採用大片窗景，將南國的四時風光融入居室之中，清綠色彩的設計風格及溫潤光調，增添柔和而溫暖的氛圍。名符其實的總統套房，擁有收納山海壯闊景觀的寬敞陽台與透明天井設計，讓您感受與自然零距離的接觸。

沐餐廳 MU RESTAURANT ALL-DAY MENU 演繹新台灣食藝美學

強調戶外景觀延伸的沐餐廳及MU LOUNGE，設計成畫框的落地窗以及下沉式設計的戶外座位區，擁有遠眺大尖山及大灣海景的絕佳視野。白天依山傍海、鳥語花香，早晨在戶外泳池畔用餐，讓新的一天在陽光下開始；夜間萬籟俱靜、微風徐徐，事先預訂甚至能在頂樓享用燭光晚間套餐，細細感受在南國星空下的浪漫。

由餐飲廚藝總監Fudy Chen率領的專業廚藝團隊，重新定義了飯店對於食材運用的態度與料理詮釋。嚴選墾丁當地的時鮮，讓縮短食物里程的低碳概念，結合「不時不食」的有機觀念，用創意融合在地美味，娓娓道出料理背後的動人故事，細膩廚藝與絕妙創意激盪出當代手作料理的全新境界，帶給旅客新台灣食藝美學的五感體驗。

多功能園區 大自然成為最偉大的教室

以大自然為背景所設計的多功能園區，共分室外區和室內區。室外區樹木蓊鬱，隨心欣賞食草與蜜源植物，花朵姹紫嫣紅綻放，伴隨蝴蝶翩翩飛舞，蟲鳴鳥叫，好不愜意。各個角落皆設置詳盡的解說牌，豐富的當地動植物資訊，讓大自然成為最偉大的教室。室內區的生態體驗館，規劃了生態展示牆、大型生態展示版及iPad互動裝置、食物鏈介紹牆、生態電視影片、生態閱讀區，以及墾丁地形地質展示空間。讓住客及遊客進一步瞭解墾丁特有歷史、動植物生態、以及地形地質的知識。墾丁賓館歷史沿革展示牆，呈現曾有的絕代風華。親子互動館備有積木、拼圖、桌遊等生態或益智遊戲設備，並不定期舉辦親子DIY教學，讓全家大小透過互動遊戲及DIY課程更貼近體驗大自然之美。

此外，華泰瑞苑與當地生態工作室合作，規劃多種館外行程，分成「全年度」及「季節性」活動，讓住客每次前來都可以體驗不一樣的生態及探索墾丁的自然風情。全年度在社頂社區皆可欣賞到梅花鹿的蹤影，秋天在欖仁溪更能看到難得的「落鷹繽紛」奇景。

其他如插秧、割稻、採果、賞蟹，讓房客不分四季、春夏秋冬皆能擁有豐富的墾丁回憶。

頂級瑞士品牌 SPA By Valmont 獨家蝴蝶式手技極致呵護

天地山海間，有一隅華泰瑞苑規劃予住客的專屬區域，在綠意扶疏、鳥語花香中享受極致的SPA體驗。華泰瑞苑為台灣唯一獨家與瑞士頂級DNA抗老保養品牌VALMONT合作的飯店，讓您充分享受VALMONT高效細緻的護膚產品、尊寵紓壓的專業課程，及100%瑞士製造的專業服務。其中獨家的蝴蝶式背部引流手技，讓您在墾丁秘境中找回生命最原始的力量。透過身心靈的極致呵護，釋放旅途中的疲憊，達到全然的放鬆。

GLORIA MANOR—Top-Class Accommodation in Kenting Modern Taiwan, Exquisite Culture, Splendor of Nature

Once you're done with sea, sun, and sand, what other surprises does Kenting have in store for the visitors? Let GLORIA MANOR show you another side of this tropical destination. Located in Kenting National Park and neighboring major tourist attractions like Shedding Nature Park and the Sika Deer Restoration Area, GLORIA HOTEL GROUP worked with Pingtung Forestry Management Office and transformed what was once former President Chiang Kai-shek's southern residence of choice into GLORIA MANOR in 2012.

The property and facilities were restored and rebuilt, with the concept of "Unified with Nature", to bring a new life, a new soul to the place. The tranquility, ease, and nostalgia from the old presidential residence times give this place its high-quality of accommodation and a profound history. It has received praise from tourists who appreciate exquisite travels and design awards around the world. In addition to being the only awardee in Taiwan of Red Dot Design Award in 2014, GLORIA MANOR also earned TripAdvisor's certificates of excellence in three consecutive years, and listed as the most popular hotel in Pingtung. In 2017, GLORIA MANOR became a member, the only one in Taiwan as well, of Design Hotels™, and was selected as the World's Top 10 National Park Hotels, the only one in Asia, in the same year.

Unified with Nature While Experiencing the Local Beauty

GLORIA MANOR was designed with an overall concept of "Unified with Nature", and simultaneously integrated with local characteristics and modern constructing techniques. The abundant traditional Taiwan elements, such as bamboo, lanterns, and hexagonal floor tiles standing for longevity, are the symbols of the fusion of those two and also the heritage of Taiwan's bamboo weaving skill. The space that best demonstrated Taiwan traditions is the lobby, such as the ceiling that represents the "rice sieve" widely used in Lantern Festival and weddings. It was made by a master from Chushan and comprised two layers, the triangularly weaved inner layer and the hexagonally weaved outer layer. Also, the gray, hexagonal floor tiles symbolizes tortoise-shell and stands for longevity. The black triangular tiles interlaced depict the landscape of Mt. Dajian nearby. All these details were thoughtfully arranged to transfer them into the impression of modern Taiwan, showcased in the lobby, restaurant and guest rooms. On the first floor, the

study of former president Chiang Kai-shek was kept with original books, stationary and furnishings, and is open to the public in order to preserve these relics and amplify the cultural depth of GLORIA MANOR.

Guest Rooms Designed with Seasonal Sceneries of the South & Natural Elements

There are 60 guest rooms in 8 types, including suites and rooms, and also an outdoor swimming pool facing Mt. Dajian in which our guests can rest and relax. The extensive use of large windows allows the scenery of the South in different seasons pour into the rooms, and creates a soft and warm atmosphere with the green color decoration and mild lights. The President Suite, true to its name, allows a close contact with the nature from its spacious balconies with beautiful view of the mountains, and from the transparent patio.

Enjoy the Art of New Taiwan Cuisine with All-Day Menu from MU RESTAURANT

Taking in the outdoor scenery with frame-like French windows and sunken seatings, MU RESTAURANT and MU LOUNGE are privileged to have the picturesque view of Mt. Dajian and Big Bay. In the daytime, you can start your day under the sun with breakfast by the outdoor pool and the company of mountains, seas and the nature. In the nighttime when all is quiet and the breeze is blowing, you can have a candlelight dinner on the top floor with a reservation, and savor the romantic moment under the Southern starry sky.

The culinary team, led by our Culinary Director, Fudy Chen, has redefined the restaurant's philosophy and interpretations of the ingredients we use. With carefully selected ingredients from our house herb garden and local farms, we combined the action of reducing CO2 emission by shorten the transporting distance with the idea of organically "Not in Season, Not on Menu". As we creatively fuse the local delicacies and tell the stories of these cuisine, we also take contemporary hand-made dishes to a brand new level and bring the thorough, 5 senses experiences of new Taiwan Cuisine to our guests.

Multifunctional Park, Where the Nature Becomes the Best Classroom

Designed with the nature as the background, multifunctional park comprises two areas: outdoor and indoor. The outdoor area is densely forested in which visitors can take a pleasant walk to enjoy the flora and fauna as the butterflies collecting nectar, insects and birds chirping, and flowers blossoming. Around the area, information signs are posted with detailed introductions of regional flora and fauna, and make the nature the best classroom. Inside the indoor area, the ecological experiencing room is decorated with eco-system display wall, large display panel and interactive devices such as iPad, food chain wall, introduction film, reading area, and topo-

graphical, geological exhibition of Kenting. All these are designed to help visitors learn more about the history, the eco-system, and geology of Kenting. Also on display is the wall of historical evolution of Kenting Residence to show the glory of its old times. Children's ecological interactive room is equipped with building blocks, jigsaw puzzles, board games and other educational toys, and DIY courses are also provided without fixed schedule to let the families experience the beauty of nature through interactive games and these courses.

In addition, GLORIA MANOR also collaborates with local eco-studio to provide various year-round and seasonal activities for visitors to experience different ecological, natural aspects of Kenting in their every visit. Year-round events including sighting of sika deers in Shedding Village, and seasonal events including the autumn spectacle of falcon congregation over Lanren Creek, as well as rice planting and harvesting, fruit picking, crab watching... All of these are for visitors to have unforgettable memories of Kenting regardless of the season.
